

CONSERVATION PROJECT FUNDING 2004 - 2019

42 CONSERVATION PROJECTS. MORE THAN **30** SPECIES.
IN **21** COUNTRIES. MORE THAN **220.000** EUROS.

FUNDING 2004 - 2019

FRESHWATER FISH	67.501 €
#01 Developing research and conservation action for endangered Aphanis killifish	Turkey
#02 Research and conservation assessment for Starostin's blind cave loach	Turkmenistan
#03 Fish Net Madagascar - Conservation of Threatened Freshwater Fishes	Madagascar
#04 Conservation of Achondrostoma occidentale	Portugal
#05 Conservation of Squalius pyrenaicus	Portugal
#06 Rapid assessment of the status of the endangered Greek killifish	Greece
#07 Reintroduction of Zoogoneticus tequila and Notropis amecae	Mexico
#08 Assess the ecology of freshwater fish community	Indonesia
#09 Integrating freshwater fish into biodiversity conservation in Turkey	Turkey
#10 Habitat and population assessment of Corfu Killifish	Albania

MARINE FISH	20 550 €
#18 Marine fishes of São Tomé and Príncipe	São Tomé and Príncipe
#19 Sustainability of seahorses in the aquarium trade	Philippines
#20 Mapping seahorse populations	Philippines
#21 iSeahorse: Empowering Filipino citizens to take action for seahorses and the seas	Philippines
#22 Artificial induction of gonad maturation of European Eel	Croatia

REPTILES	60 205 €
#30 Safeguarding the Siamese Crocodile through combined in situ and ex situ Conservation Measures	Vietnam
#31 Anthropogenic and environmental-dependent behaviors of the Crocodile Lizard with concrete implications for species conservation	Vietnam
#32 Preliminary assessment of the Siamese Crocodile	Indonesia
#33 Project Batagur baska Species conservation project	Bangladesh
#34 Loggerhead turtle diagnostic protocols for better veterinary care in Marine Turtle Rescue Centres	Croatia
#35 In search of the last remaining representatives of the Spotted Softshell Turtle	Vietnam
#36 Urgence pour la sauvegarde des tortues marines sur le littoral du Bénin	Benin
#37 Appui à la sauvegarde des tortues marines sur le littoral du Bénin	Benin
#38 Creation of a Sea Turtle Rescue Centre in Bagnoli (Naples)	Italy
#39 Conservation translocation of Shinisaurus crocodilurus to reinforce the wild population	Vietnam
#40 Ecological research and population analysis of the Chinese Crocodile Lizard	Vietnam

INVERTEBRATES	35 546 €
#11 Coral Restoration Coaching and Training Workshop Maldives	Maldives
#12 Mapping the Mediterranean pillow coral	Mediterranean Adriatic
#13 Coral Husbandry Workshops, Maldives	Maldives
#14 Coral Conservation initiatives as part of ZSL's EDGE programme	United Kingdom
#15 The development of settlement tiles for coral breeding	Netherlands
#16 Edge coral reefs conservation	United Kingdom
#17 Assessing the condition of the noble pen shell	Adriatic (Croatia)

AMPHIBIANS	23 300 €
#23 Developing methods to mitigate the effects of amphibian diseases	Switzerland
#24 Breeding and research for endangered amphibian	Vietnam
#25 Assessing the Relevance of ex vs in situ conservation methods for amphibians	Turkey
#26 Ex situ reproduction and in situ conservation of the Alsodes vanzolinii	Chile
#27 Loss of genetic diversity and chytridiomycosis in the common midwife toad	Switzerland

NATURE CONSERVATION MEASURES	2.000 €
#28 Three approaches to enforce Nature Conservation Measures	Croatia

AWARENESS CAMPAIGN	650 €
#29 Awareness Campaign SOS bycatch	Vietnam

OTHER	12.000 €
#41 Development of the new structured EUAC web site	Europe
#42 Fukushima support	Japan
