

Junior Aquarist – Join Clear Reef International! (clear-reef.com)

Full-time | Based in Morocco

About Clear Reef

At Clear Reef International, we create and operate oceanariums and marine conservation centers across the globe. Our mission is to inspire people through the wonders of marine life while promoting conservation and education. To strengthen our team, we're looking for a dedicated and enthusiastic **Junior Aquarist**.

What You'll Do

As a Junior Aquarist, you'll be hands-on in caring for our collection of marine animals. You'll play an essential role in keeping our exhibits healthy, clean, and engaging for visitors while supporting senior staff in daily operations.

Here's a look at your day-to-day:

- Observing animals and reporting any unusual behavior or appearance.
- Conducting water quality tests, recording data, and reporting any irregularities.
- Performing water changes, siphoning substrates, and maintaining exhibit cleanliness.
- Assisting with animal care and feeding routines.
- Helping with veterinary procedures, including necropsies.
- Monitoring life support systems (LSS) and reporting issues.
- Maintaining accurate animal records.
- Ensuring tanks, décor, rockwork, and facilities meet high standards of presentation.
- Supporting the Curator and Senior Aquarist in other duties as needed.

What We're Looking For

You'll thrive in this role if you have:

- At least 2 years' experience in aquatic animal care, with a focus on marine fishes and invertebrates.
- Knowledge of husbandry principles: water quality, LSS, nutrition, disease recognition, and exhibit maintenance.
- Strong record-keeping skills and attention to detail.
- Good communication skills in English (written and spoken).
- The ability to work both independently and as part of a team.
- Flexibility to work weekends and holidays.
- A valid driver's license and scuba diving certification.

Nice to Have

- A degree in Biology or related sciences (or equivalent training).
- Experience engaging with guests and the public.

Why You'll Love Working With Us

- You'll gain hands-on experience caring for marine life in a dynamic environment.
- You'll work with an international team passionate about ocean conservation.
- You'll be part of exciting projects that connect people with the ocean.
- We offer a competitive package, based on your experience and qualifications.

How to Apply
